About Us

Renatus Wellness Charitable Trust is the Corporate Social Responsibility (CSR) arm of Renatus Wellness, dedicated to extending our core values of health, compassion, and community to those in need. Through various initiatives, we strive to bring about meaningful change and improve the quality of life for underprivileged communities.

Foundation and Growth

The Renatus Wellness Charitable Trust was established in [Insert Year] as a natural extension of Renatus Wellness's mission to promote holistic well-being. Since its inception, the Trust has been focused on addressing critical social issues, including hunger, education, and healthcare, with a strong commitment to sustainability.

The Renatus Charitable Trust operates in full compliance with the Companies Act, 2013, specifically adhering to Section 135, which governs CSR activities. We meticulously follow all government-mandated norms, including forming a CSR committee, crafting a structured CSR policy, and submitting detailed reports on project implementation and outcomes to ensure transparency and accountability.

Our Mission and Vision

Our Mission

To foster holistic wellness and empower underserved communities by providing essential resources, education, and sustainable livelihood opportunities.

Our Vision

To create a healthier, self-reliant, and compassionate society by addressing social challenges with innovative and sustainable solutions.

Key Focus Areas

- **Providing Meals:** Nutritious meals for children and families in need.
- **Promoting Natural Wellness:** Advocating for holistic health practices.
- **Creating Income Opportunities:** Enabling financial independence through sustainable initiatives.
- **Supporting Local Economies:** Encouraging traditional and eco-friendly practices.
- **Advancing Infrastructure and Healthcare:** Building schools, libraries, and healthcare facilities.
- **Minimizing Carbon Footprint:** Promoting green practices for a healthier planet.

Our Achievements

Meals on Wheels Initiative

Feeding Lives Every Day

Through our flagship Meals on Wheels initiative, we have provided countless nutritious meals to those in need. This program stands as a pillar of hope, serving up to 100 people daily, ensuring essential nutrition and a healthier tomorrow for all.

Promoting Wellness Education

We organize wellness workshops in underserved communities, educating individuals about natural wellness and healthy living. By empowering them with knowledge, we help them lead healthier lives.

Sustainable Income and Economic Growth

Through various empowerment initiatives, we create sustainable income opportunities, guiding individuals and families toward financial independence and stability.

Infrastructure and Healthcare Development

Renus Wellness Charitable Trust has significantly contributed to building schools, libraries, and healthcare facilities. We also ensure access to mobile health services, providing medical care to remote communities.

Environmental Responsibility

Our green initiatives focus on reducing the carbon footprint by maintaining an eco-friendly supply chain. We collaborate with local suppliers and artisans to support traditional practices while protecting the environment.

A Vision for the Future

At **Renatus Wellness Charitable Trust**, we are driven by the belief that wellness extends beyond the individual to the community and the planet. By addressing hunger, promoting education, and ensuring access to healthcare, we are paving the way for a compassionate, sustainable, and healthier future for all.
